About the course

After an entry-level test the participants will be grouped in suitable classes (level A1 – C1) with an average size of 8 students. The course takes place twice a week on tuesday and thursday from 13:30 p.m. until 15:25 p.m. and includes 5 lessons per week.

In the exam preparation course our qualified teachers prepare the students for the examinations Telc and TestDaF with specific chosen test exercises. The aim of this course is to build up our students' confidence in order to accomplish the best possible outcome.

Our conversational training put a specific focus on phonetics and oral fluency. In this class our teachers help our students build the necessary confidence in speaking freely according to their respective German level.
