

Work & Study 18+ ERASMUS+ teacher

The right language course for teachers, but also for school staff from abroad who want to further develop their language skills and teaching methods. All of our Erasmus programs are 100% funded by the EU.

How it works

After a verbal placement test, the participants are assigned to a class (A0 – C1 level) with an average class size of 8 students that matches their current German level.

Class schedules are based on the relevant programs. We have a wide range of courses offering the right program for every participant.
